

6.2 Region II Report

Reporting dates: Aug – Oct 2017
Submitted by: Christy Vint Griswold, Region II Director

Florida Gateway College
Submitted by: Holly Sutton

Activities:

No recent activities since the last board meeting

Fundraisers:

Flower Cards fundraiser is still active, but no new fundraising activities to report.

Conferences:

There will be four members in attendance at the Annual Conference. Holly Sutton will receive her CCP graduation recognition at the conference.

Executive Board Summary:

Executive Board has not met, as there hasn't been any new business to discuss.

Membership:

Health Fair Membership Drive – Our chapter had a table at the Annual Health Fair on Campus. We gave away a healthy snack basket and a fruit basket for those who visited our table and entered the drawing. Entry into the drawing required a short 3 question survey where visitors were asked if they were an AFC member; if not, if they knew about AFC; and what types of activities they would like to see from our chapter (charitable fundraisers, socials, etc.) Information from the surveys will be analyzed to try to bring our chapter back to life by offering things our members actually want. We welcomed 2 new AFC members at the drive.

Financial Report:

Chapter Meetings:

General Membership Meeting – Date TBD, but will be in November after annual conference.

St. Johns River State College
Submitted by: Ginger Stokes

Activities:

SJR State Chapter of AFC is attending all of our on-campus Open Enrollment and handed out granola bars with our AFC logo and encouraged faculty and administrators to join the chapter and become AFC members.

Fundraisers:

The Chapter held a Spirit Button fundraiser, beginning in August. The fundraiser raised approximately \$200.

Conferences:

The SJR State Chapter of AFC is planning on 13 employees (AFC members) attend the annual conference in November. We are also bringing 6 additional guests to attend the Presidential Gala. We will have 13 delegates present. We would like to nominate Amanda Brown for our Unsung Hero Award. She will not be present at the Annual Conference. However, she has worked tirelessly behind the scenes for 2+ years helping with every event our Chapter has held. She is also our Social Media Representative.

Membership:

We have begun including AFC membership materials and introduction letters in all new employee orientation packets. We have seen a marked increase in new membership as a direct result of this. When we held our annual fall orientation for new faculty and employees in August, all of our new employees signed up for AFC membership.

Currently, our membership is over 200 members.
