## Member Services Benefits

### Confirmed:

Proposal has been submitted for AFC members to take advantage of [Legal Shield](#) nationwide services at a reduced rate. Legal Shield provides toll-free advice and consultation with a legal team about personal matters and pre-existing situations. They will send official letters from an attorney on the member's behalf, and provide a professional set of eyes on an unlimited number of documents for a low monthly fee.

### Interested:

Reached out to Buffalo Wild Wings District Manager Mr. Graves about becoming a service provider partner. [ybor.fl.bww@drh-inc.com](mailto:ybor.fl.bww@drh-inc.com). He replied that he is absolutely interested in providing a restaurant discount to our members. As of this report we are scheduled to discuss it the week of October 23<sup>rd</sup>.

### In the Works:

Reached out to [Carrabas Restaurant](#) through their corporate website. They and several other places already give discounts to AAA members; am following up with them individually.
