

## **Student Development Commission**

### **July Board Report to AFC**

- Student Development partnered with Communications and Marketing Commission for our spring conference this year at Gulf Coast State College
- The annual conference at 90 registered attendees and offered professional development sessions from several areas of Student Affairs. Included at the conference was:
  - An AFC legislative update provided by Dr. John Holdnak
  - Sessions explaining FRS benefits
  - Leadership, Advising, First year experiences, Financial Aid, Customer Service, Student Development Theory, Verbal Judo for effective communication, Public Speaking, and best practice presentations.
- This year's Exemplary Practice winner was Tracy Glidden for the Step Up Program from College of Central Florida.
- The conference feedback was overwhelmingly positive.
- Our conference included the Anchorage Children's Home as a Community Service Project and donated personal and educational supplies for local children living in the shelter.
- We also had a beach clean-up morning.
