Greetings! The Association of Florida Colleges (AFC) Region III chapters of: **College of Central Florida, Daytona State College, Eastern Florida State College, Lake-Sumter State College, Seminole State College of Florida and Valencia College** cordially invite you to participate in their annual Spring Conference.

Our theme this year focuses on leadership development and moving towards a positive, collaborative, initiative-driven future. We are confident that no matter the product or service your company offers – it will complement the message behind our theme.

By participating as a sponsor, you will have the opportunity to gain exposure and marketing to a wide variety of individuals from the six state colleges in the region. Approximately 75-100 members will be in attendance, most of whom take back information and recommendations to their administration related to products and services that they believe would be beneficial to their institution. Our conference attendees consist of professionals who work in all areas of their institutions.

Please consider the following **Sponsorship Opportunities**:
