

2020 PRESIDENT'S MESSAGE

Greetings Association Members, Colleagues and Friends!

As a product of the Florida College System, I am humbled and honored to serve this year as the 2020 President of the Association of Florida Colleges. I am grateful for this opportunity to represent our awesome association!

The Association of Florida Colleges represents the “Great 28” state college chapters. **My focus this year will be at the chapter level to ensure that ALL our chapters are active and serving our members.**

When we build our chapters, membership in our commissions, and membership as a whole WILL increase.

This year, we are **“Looking for dedicated people with 2020 vision.”** Our main goal is to find dedicated people at each chapter that can help further our association’s mission.

To that end, I ask every member to let your chapter know if you are interested in getting involved.

You can also let me know that you want to be involved and we’ll find somewhere at the state level for you. I was on the “sidelines” looking for a way to get back into the game when the opportunity came along to be President. I am sure there are others just waiting to be asked or

waiting for the opportunity to be involved. Let's find these dedicated people together.

Our colleges impact the lives of our students daily through the dedicated service of the Florida College System employees. As President of the Association that serves these employees, I look forward to a wonderful year and to the many things that we will accomplish!

Best regards,

Matthew White
2020 AFC President
