**ACTIVITIES (Including Meetings)**

The Chapter held a special election to replace Dr. Judy Nolasco who stepped down as president-elect for the 2018-2020 term. No one stepped into the position; therefore, Chapter President Dana Livesay will stay on until December 31, 2018. Member Rachel Pulliam has agreed to take over as president for the six-month term until June 30, 2019. We will hold elections in the spring.

Our membership drive has not been successful, with less than a handful of employees interested in joining. Membership Chair Ivan Mesa started an email campaign targeted to non-renewed members and those who pay on the state site; response has been poor.

Chapter board members met with the college’s legislative liaison to schedule a meeting at the Annual conference.

**Fundraisers**

The Chapter continues its candy sales.  
Campus representatives have started selling the popular 100 calorie popcorn bags.

**Other**

The Chapter set up a new book scholarship with a selection of up to 8 member employee students or their college-attending dependents to receive a \$75 book scholarship. Members may attend any of the 28 Florida colleges to qualify. Applications close October 1<sup>st</sup>.

The Chapter will fund ten (10) employee members to attend the Annual Conference. With a 60% budget cut we are unable to send more members.

The Chapter donated two gift baskets of brand new items for the Silent Auction. The “Whiskey-a-Go-Go” and “Basket of Sprints” are retail-priced at \$1050 combined.
