

## Report to the Board

Association of Florida Colleges  
Learning Resources Commission  
Report to the Board of Directors  
May 13, 2015

### Learning Resources Commission exemplary practice awards

- Deadline was extended until May 29<sup>th</sup> in order to increase the number of applications and make the process more competitive. Slowly more applications have been submitted.

### Officers for 2016

- We will begin the process of finding a new slate of officers for elections during August/September. New Chairperson will be Kendra Auberry from Indian River State College. The rest of the slate of officers will be named at a later date.

### AFC Joint Commission Spring Conference Planning

In spite of the fact that we made an early call for presenters for the Joint commission conference and we linked the exemplary practices competition by giving extra points to those members presenting at Joint Commission, there was very little interest on the part of the membership.

Possible reasons for the lack of interest may be that there is conflict with the FLA annual meeting and also, stricter travel restrictions at member institutions. It may be prudent to joint FLA in the future since there is redundancy with that conference. This model was tested last year during the Region V Spring Conference when we aligned the Dade County Library Association spring meeting with the AFC Region V conference. This may be considered for next year.
