

## **COUNCIL OF PRESIDENTS ESTABLISHES LEGISLATIVE POSITIONS**

At its business meeting on September 19, 2019, the Florida College System Council of Presidents adopted positions on the following policy issues before the 2020 Florida Legislature.

### **Florida College System Risk Management Consortium Legislative Request**

COP supports the Florida College System Risk Management Consortium (FCSRMC) legislative budget request of **\$18.67 million** to replenish payments made toward deductibles paid out as a result of hurricane, tornado and flood damage between 2007-2018.

### **Guns on Campus**

COP opposes any legislation that would allow someone to carry a concealed or open weapon on college campuses. (HB 6001) <http://www.flsenate.gov/Session/Bill/2020/6001>

### **Technical Colleges/Centers Offering AS degrees in Nursing**

COP opposes school district career centers (a.k.a. technical colleges or centers) offering Associate of Science in Nursing (ASN) degrees (SB 418)
