Welcome Association Members, colleagues and friends!

We are ready to “Connect the Dots” in 2019. By attending this Leadership Conference, you have made the commitment to engage in and connect to AFC. Whether it is your local chapter, in one of our five regions or thirteen commissions, or even in a special committee – you have recognized that AFC has a connection for you.

AFC has nine goals that guide our program of work each year. Goal #6 is to “Enhance, encourage and facilitate communication, cooperation, professionalism and camaraderie among individual and institutional Association members.” Connecting with each other, we can accomplish our goals.

In 2019, we will:

- *Increase our Association Membership by 10%
- *Launch a Campus Safety survey that focuses on safety training, methods and tools
- *Begin reviewing the AFC Governance structure
- *Evaluate and make recommendations to the Association Dues Structure
- *Re-purpose Visions as an online repository of applied research and best practices.

We are excited that you have chosen to step into a leadership role in our Association. Something led you here, and now it is your time to lead. The connections I have made in my career led me to serve as your president. Take in every moment that you are here at the conference. Connect with each other. Utilize this Leadership Manual to guide you and your team successfully through the year.

Again, welcome to the AFC Leadership Conference. I am beyond honored and humbled to be your president and cannot wait to connect with you.

“Connecting expands possibilities – in work and in life – for ourselves as well as for others.”

~Adele Scheele

WHAT ARE AFC COMMISSIONS?

The AFC instituted a system of Commissions, each formed along lines of employment interest in Florida's community and state colleges, to provide for the professional development of their membership. An elected commission chair coordinates each commission. Members of the AFC are encouraged to participate in the commission that is closest to their area of employment and/or interest to help facilitate professional growth. Each commission, at a minimum, strives to:

- Provide leadership, advice and counsel on matters specific to the commission
- Represent the overall interests of its members
- Provide a forum for effective participation in its professional development through conferences, seminars, interchanges, idea sharing and other cooperative efforts and activities
- Provide for facilitation of programs involved in carrying out the goals and objectives specific to the commission
- Promote quality leadership and professional service by articulating the interests and concerns of the members of the commission
- Provide a vehicle for seeking solutions to matters pertaining to commission member development professionally and personally
- Recommend legislative issues to the AFC Legislative Committee
- Serve in a liaison capacity to organizations outside of AFC, to educate those organizations regarding the philosophy, goals and objectives of AFC and to keep their members and the AFC Board of Directors informed about matters of concern to the Florida College System

NOTE: For more information, see STANDING RULES OF THE AFC.

Commissions should at a minimum:

- (2) Conduct a minimum of one board meeting not including the business meeting during the annual conference. This meeting can be conducted electronically, by phone or in person.
- (3) Host at least one professional development conference/workshop in addition to the annual conference program. This meeting may be hosted individually or in conjunction with other commissions or entities of AFC such as a Region. *(Commissions are encouraged to join with Regions to host joint conferences).*
- (4) Provide an exemplary practice award. The criteria and selection method to be determined by the bylaws and standing rules of the individual commission.
- (5) Establish a method of communication to all commission members.
- (6) Maintain a website under the commission page on the Statewide AFC website.

Any commission which fails to maintain these minimum standards for two consecutive years can be subject to being returned to provisional status. The recommendation for return to provisional status must be made by the Vice President for Commissions and ratified by a majority vote of the AFC Board of Directors. After three consecutive years on provisional status, if the Commission is not returned to regular status, the commission will be deemed decommissioned. A new commission may be established at a later time based on the criteria established in Standing Rule IV.

Commission Spring Conference Guidelines

Each year a Commission Spring Conference should be held. This conference is facilitated by the Commission Chair and coordinated by a committee. Each commission determines when and where to hold its conference, and it should work with a host college in the region/city where the conference will be held. All Commissions are being asked to collaborate with Regions and/or other Commissions to join together to host these events.

The date for the conference should be determined no later than December 1st and communicated to the State Office and the Vice President of Commissions to ensure that there are no conflicts with other statewide meetings. Once the date is confirmed, it should be communicated to all commission members, chapter presidents, and published on the AFC Website.

The conference committee is responsible for selecting presentations/speakers, etc. Professional Development must be an integral part of the agenda for all commission conferences which should include a legislative component in addition to the best practices or exemplary practice sharing facet. For example:

- Conferences should consist of concurrent presentations/workshops intended to enrich the participants through personal and professional development
- Highlight new college programs, procedures, and processes related to the Commission's Field/Area
- Provide opportunities to dialogue on innovative and new institutional practices
- Highlight pending state and federal laws, guidelines, and policies: changes to state/federal policies in related areas

Goals and Objectives

Each commission must hold a board meeting for its officers sometime during the Spring Conference. Each commission is responsible for reporting all goals and objectives to the VP of Commissions and the Chair of the Planning and Development Committee. A copy must also be submitted to the state office.

Additional Guidelines

- Provide a legislative update from the AFC Executive Director, College President, a College Lobbyist, AFC President or an Executive Committee Member.
- AFC President should be invited to provide a greeting/welcome at all commission conferences. All state-elected officers should be invited to conferences.
 - ***Registration or other fees are waived for the AFC staff and Executive Committee (elected state officers ~ President, President-Elect, VP's, & VP-Elects) at all commission, region, or other Association-sponsored functions. Commissions and regions may request up to a 50% re-imbursement of registration fees to the AFC for any Executive Committee attendees.***
- Develop a commission newsletter and distribute it to all members and post it on the commission's website.
- Find an area or program from one of the region colleges to showcase. Example: a highly regarded theater program, a new distance learning program, a new baccalaureate program or a new building.

- Work with Region Directors to ensure a Commission Workshop is included at all five Region Conferences.
- Use regional chapters/Region Director to aid in marketing the Commission's conference and to assist in recruiting speakers/presenters from area colleges.
- Participate in some form of a service project as a commission and facilitate a project at the Spring Conference.
- Select a team-building exercise or icebreaker to encourage networking between members.
- The Commission may conduct a fundraising activity at the conference.
- Determine conference date as quickly as possible before, during or after the Annual Conference, and submit it to the state office for posting on the AFC Calendar on the website ***no later than December 1st***. Date should also be highlighted at the annual Leadership Conference and ***should not*** conflict with any other scheduled meetings/conferences.
- Use the region conferences for membership recruitment. Encourage commission members (representatives from that region's schools) to attend region meetings and present on commission best practices/hot topics/resources and set up a commission display highlighting the commission's goals and its upcoming conferences.
- If the commission joins with a region for a joint spring conference, establish and agree to the financial terms prior to the Conference. Total profits ~ what is the split for expenses, sponsors, and other costs. Determine if there will be a set registration or if each group will set their own. All details related to a joint conference must be determined ahead of time. If more information is needed, please contact the state office and speak with the AFC CEO or the Director of Administration and Finance for templates.

Annual Conference Information

Professional development is a key component of the annual conference. Each commission is tasked with showcasing its exemplary practice award winner(s) during the professional development sessions. Commissions should:

- Judge exemplary practice competitions ***prior*** to the annual conference. Hold competitions during Spring Meetings.
- Provide and facilitate an educational session on a hot topic, best practice, or issue of importance to the commission's constituency during the annual conference (if the exemplary practice award winner is unavailable to present).
- Provide and distribute information on the commission's mission, goals, and activities for non-members attending annual conference.
- Hold any Commission Meetings/Board Meetings prior to the start of the Conference. AFC Staff can recommend times available prior to the Opening General Session for meetings.

- Provide the AFC Staff with the required list of new officers by Friday morning prior to the start of the Assembly of Delegates Meeting.
- Incoming Chair must attend the Friday morning In-Coming Commission Chairs Meeting. This meeting will provide information for the upcoming new commission leaders about duties/responsibilities, upcoming meetings, etc.

WHAT ARE AFC REGIONS?

To provide for regional coordination, AFC geographically subdivided the State of Florida into five (5) regions. An elected region director coordinates each region. Region Conference and Meeting Guidelines

Each year a Region Spring Conference should be held no later than June 30th. This conference is facilitated by the Region Director and coordinated by a Host College. The duty of being the host college should be rotated among colleges in the region so that the same college does not host the conference every year.

The date for the next year's conference should be decided no later than the Board Meeting at the Annual Conference and communicated to the State Office and Vice President of Regions & Chapters to ensure that there are no conflicts with other statewide meetings. Once the date is confirmed, it should be communicated to all the chapter presidents and published on the AFC Website.

The host college should organize all events in collaboration with the Region Director. All Region Conferences should have professional development workshops/sessions presented by Commissions. Collaboration with Chapters and Commissions should assist with presentations/speakers, etc. from area colleges. Each chapter should bring a minimum of two door prizes to the conference. Professional Development opportunities must be an integral part of the agenda for all Region Conferences which should include a legislative and membership component in addition to other pertinent AFC information. For example:

- The conference/meeting should be a single day event except in the case of the host college being a great distance from other region colleges or multiple Commissions joining with the Region to present the conference. In this instance, a multiple day conference event may be held.
- The conference should consist of concurrent sessions intended to enrich the participants through professional and personal development. Development examples:
 - Time management, debt management, fundraising, technology
 - Meeting etiquette, minutes, budgets, websites, apps, etc.
 - Leadership Training and Mentoring
 - Commission members presenting on new programs or practices
 - Establishing Scholarship Programs or Service Projects on Campus
 - Showcase Commission Exemplary Practices or best practices from area college presenters
- The conference should have a planned service component.

The Region may have a fundraising activity at the Conference with all the funds going to the Region. Monies from the Conference (primary source of funding for the Region) are divided as follows:

- Total profit collected – 1/2 to Region and 1/2 to Host College Chapter (unless otherwise determined and agreed upon in advance by all chapter presidents and the region director). Commission meetings may be held in conjunction with Region Conferences (a three-way split may take place if it is a joint conference between all three groups). ***Financial details should be worked out between the groups involved in advance.***
- Registration or other fees are waived for the AFC staff and Executive Committee at all commission, region, or other Association-sponsored functions. Commissions and regions may request, in writing, up to a 50% re-imbursement of registration fees to the AFC for any Executive Committee attendees.

Goals and Objectives

Each Region Director is responsible for reporting all goals and objectives from their region (region and chapters) to the VP of Regions & Chapters and the State Office (by March 1st).

Additional Guidelines

- Provide a Legislative Update from the AFC Executive Director, College President, a College Lobbyist, AFC President, or an Executive Committee Member during the Region Meeting.
- Find an area or program of the host school to showcase. Example: a theater program, a new baccalaureate program or a new building.
- Provide a lunch to the participants.
- Provide some sort of continental breakfast in the morning.
- Recruit volunteers from the host chapter to facilitate the event. Work with Commissions to showcase exemplary practices from region colleges.
- Pick some form of team-building exercise or icebreaker to encourage networking between chapters.
- Determine conference date as quickly as possible before, during or immediately after the Annual Conference. Submit selected date to the state office for posting on the AFC Website. Date should also be highlighted at the annual Leadership Conference.
- Develop a planning committee to assist the Region Director or Host Chapter no later than the Jan./Feb. Leadership Conference. This committee should also work to highlight other regional activities, initiatives, and upcoming events at the region conference.
- Develop a budget no more than one month after the Leadership Conference.
- Develop an evaluation form for the region conference.
- Summarize the evaluation form after the conference and circulate it to the chapters.
- Recognize volunteers and speakers with gifts, plaques, or certificates.
- Encourage region colleges and commissions to set up a display at the conference. Ask Commissions to provide information so that attendees will learn about the various commissions available. Include Commissions on the program.
- Use the region conference as a membership recruitment tool. Encourage all the region colleges to send first timers and nonmembers to the conference. The host college should invite the largest number of nonmembers to the conference.
- Each region is encouraged to have a website that is linked both to the chapters and the state AFC website.

Annual Conference Region Meeting

It is the Region Director's responsibility to facilitate the Region meeting at the Annual AFC Conference. The meeting should include the following:

- An agenda of all items to be covered at the meeting
- Acknowledgement of all Region Chapter Presidents (Plaque, Certificate, Gift, etc.)
- Acknowledgement of all Chapter Unsung Heroes (Plaque, Certificate, Gift, etc.)
- An end of the year Financial Report
- Nominations from the floor followed by voting for the Director-Elect
- Counting of ballots for Director-Elect and passing of the region gavel to the new Director
- Facilitate reports from each Chapter President introducing new officers and summarizing the years activities and expectations for the coming year
- Conduct any outstanding Region business

Chapters

WHAT ARE AFC CHAPTERS?

The AFC exists to serve its individual and institutional members. While many of AFC's activities take place away from campuses, active involvement of AFC members in the functioning of the organization must occur locally.

The AFC chapter is for **everyone** at a college or on a college campus. This includes faculty, administrators, career and professional employees, part-time employees, and retirees. Chapters serve the purpose of actively involving individual AFC members in the implementation of the AFC goals and objectives at the local level.

Key to the success of a chapter is **communication**. The AFC is unique in that it encourages and promotes communication and interaction among all employees and trustees at a college/campus. Because all members have equal status in AFC, and because all members are concerned about and involved with the well-being of their college/campus, an ideally functioning chapter provides a forum for the discussion of issues, which are important to its college, campus, and members.

NOTE: There is a chapter at the Division of Florida Colleges. For more information, see STANDING RULES OF THE AFC.

AFC CHAPTER OFFICERS

Each Chapter is required to have a Chapter President, Membership Chair, Legislative Representative, and Publications Representative. Other officers might include president-elect, past-president, secretary, treasurer, and historian. The duties of the officers of each Chapter, other than those of the required officers are determined by the Chapter.

Chapter President:

- Elected annually based on the chapter's bylaws
- Term of office: January 1-December 31 (unless otherwise noted in chapter bylaws)
- Direct the overall operation of the Chapter; calling and presiding at chapter meetings
- Represent the Chapter in all official matters
- Assume responsibility for planning and coordination of all Chapter activities
- Promote interest in the Chapter and AFC
- Facilitate Chapter Awards (submissions for Chapter of the Year, Regional Chapter Unsung Hero Awards, and Statewide Awards: Honorary Life and Distinguished Service)
- Perform additional duties as may be outlined in the chapter bylaws

Chapter Membership Chair:

- Organize and coordinate AFC membership campaigns (establishes a membership committee and specific events throughout the year for member recruitment)
- Manage the chapter's membership database and works with AFC state office to ensure that the college's membership is accurate
- Ensure membership benefits information is provided to all members
- Ensure members receive information on commissions, statewide service projects, and all other pertinent information from the state office

AFC Legislative Representative

- Provide communication link between the AFC Legislative Standing Committee and the chapter membership on matters pertaining to legislation affecting the membership
- Serve as the chapter's spokesperson to the college's legislative delegation (with chapter president's approval)
- Coordinate chapter activities relating to informing members about legislation affecting the college
- Ensure the ***Capitol Perceptions*** (with coordination from the Chapter President) information is available to non-members by working with the college's Lobbyist/Governmental Relations person to report on the current legislative session
- Plan a legislative event (in collaboration with the Chapter President) utilizing the college Lobbyist, AFC Legislative Committee Chair, College President, and/or AFC Executive Director. Example: State of the State Legislative Session Summary: Wins, Losses, & Toss Ups

AFC Publications Representative

- Ensure that AFC publications are received by chapter members (follow state calendar for publication dates of ***Current***, ***Capitol Perceptions***, Email Blasts, and other publications that are forwarded to members). Follow up with state office if college does not receive publications. Work with Chapter Membership Chair to ensure that all members are receiving publications.

NOTE: See the information on a specific Chapter at the end of this Section.

AFC CHAPTER ORGANIZATION

While there are no specific guidelines for organizing a chapter, several suggestions can be drawn from past precedent:

- Bylaws: each chapter **must** develop bylaws and revise/review them annually. A copy **must** be forwarded to the AFC State Office annually (within a month of the new officers' election).
- Elected officers: each chapter is required to have a President, Membership Chair, Legislative Representative, and Publications Representative. Most chapters also have a president-elect, secretary, treasurer, and a chapter historian. The responsibilities of each officer should be specified in the chapter bylaws.
- Chapter goals for the year may include long and short term goals, and should be developed by the elected officers at the beginning of their term in office (*this is also a part of the AFC Strategic Plan and the AFC Operational Goals*).
- Each chapter **must** forward their goals/objectives to the Planning & Development Committee, VP of Regions & Chapters and AFC State Office **no later than March 1st**. If chapter officers are elected mid-year (June/July) two sets of planning documents should be forwarded (one for the 1st half of the year and another for the second half of the year to encompass the year's goals for the chapter).
- The elected officers of the chapter should meet at least quarterly to review/revise goals and conduct any necessary chapter business.
- Chapter meetings should be held monthly or at a minimum - quarterly; however, chapter events should take place year round. A calendar template for events/activities can be found in the Membership Toolbox on the AFC Website.
- Records of each meeting should be compiled (including minutes, treasury report, and any other business transactions) and forwarded to the membership via email or it can be posted on the chapter's website.
- Chapter President may appoint a chapter historian and webmaster. One or both positions should be in charge of the chapter's website (newsletter and AFC Chapter Community Page).

AFC CHAPTER ACTIVITIES

Typical activities of AFC chapters are:

- Sponsor programs of interest for members such as a discussion of an issue inherent to the college; an explanation of some aspect of the Florida College System; a presentation about a topic of general interest which is not college-specific -, e.g. income tax, retirement, wills and estates
- Organize "AFC Legislative Days" on campus and invite local legislative delegation members to the campus in the name of AFC
- Discuss statewide AFC issues and their implications for the local membership
- Establish a procedure for the selection of delegates to the AFC Annual Meeting and Conference
- Sponsor social functions, on- or off-campus, for members and non-members
- Sponsor fund-raising projects to provide funds for the chapter use in such areas as scholarships and travel

- Provide input for regional activities
- Sponsor a Commission Fair to encourage more AFC statewide participation in Commissions for the local membership (representatives from each commission can present information on their respective commissions)
- Participate in all new employee orientations and receptions at the college (or have literature on AFC presented by a designee)
- Work with college leadership to develop a membership strategy and goals for the year (chapter president should meet with the college president as soon as possible at the start of the year to review chapter goals and activities) and to ensure the President's support
- Peruse the membership toolbox on AFC website for other resources on chapter activities/events (calendar for planning chapter events, new member orientation information, and other resources). Utilize the Chapter AFC Community Webpage to disseminate info, connect with chapter and region members, and research resources used by other chapters/regions

Making a Motion

What is a motion anyway? A motion is a formal proposal by a member, in a meeting, that the group take certain action. Here is how it is done:

- Board member addresses the chair (by title or name) and the chair will recognize them (by nodding or by name) as the next speaker. Then,
- Board member: “I move that...” be very specific and precise
- Another board member: “I second that motion” OR “Second”
- Chair (who does not make motion): “We have a motion and a second to...” OR “It is moved and seconded that...” “Any discussion?”
- Discussion takes place.
- Chair (following discussion): “Those in favor of the motion to (clearly state the motion)...signify by saying aye, OR say aye. (Pause) Those opposed, say nay, OR say no.” (Pause) The chair announces the result of the vote, noting if the motion was adopted (approved) or lost.

Only board members may make motions.

A motion will “die” if there is no second. The chair will move the meeting along stating that “The motion dies for lack of a second.”

Motions should be made when budget issues (changes) are discussed or requested, policy issues are in question, and when the laws of the organization call for this type of approval.

ON THE HORIZON, is a biweekly e-newsletter sent to all members of the AFC to keep them informed of upcoming professional development opportunities, events and meetings, calls for proposals, registration deadlines, AFC membership benefits and partnerships, and other information useful for members to have in advance.

VISIONS, the AFC's academic journal, published periodically, provides a professional forum for the exploration of issues endemic to Florida's community colleges, highlights the research and practices, and provides a

proactive voice for the colleges. Currently, the AFC is investigating a new approach to this publication's scope and format.

AFC Signature Style Sheet

Introduction

The Association of Florida College's Signature Style Sheet is designed to help you produce printed materials that reflect a professional and consistent image for the association. By following the guidelines, and using the resources provided on the AFC website (www.myafchome.org), your printed materials will be more cost-effective and easier to produce.

The Association of Florida Colleges represents *all* faculty, staff, administrators, trustees, presidents, and retirees from Florida's State College System. The Association consists of local campus-based Chapters, Commissions, and Regions lead by a Board of Directors. Membership is currently over 8,000 and moving upward. It is important that all parts of the association present one clear image through a coordinated identification program. A clear message and visual image highlight the fact that the Association of Florida Colleges is a multifaceted, but unified organization.

The graphic identity of the Association of Florida Colleges is the sum of all the visual impressions associated with name. With dozens of incompatible logos in use, our graphic identity needs consolidation and consistency. Every college, region, commission, and committee of the association has developed a reputation for superior performance and service. However, as our reputation has grown, so has our variety of logos and graphic identities. Our goal is for the association to have more consistency in identifying the association and its parts, while preserving the flexibility demanded by a decentralized association culture.

Your participation is appreciated as we work together to advance the Association of Florida Colleges. Questions can be directed to the Michael Brawer, Executive Director at 850-222-3222 or e-mailed to mbrawer@myafchome.org.

Signature System

The official Association of Florida Colleges trademark logo is known as the signature.

Primary Signature

The Association of Florida Colleges signature is the official logo for use on all association communications. The signature consists of three elements: a typographic rendition of the monogram "AFC", the words "Association of Florida Colleges", and the graphic element the map of the State of Florida. These elements work together to create a graphic identity representation of the Association of Florida Colleges. **Do not alter the signature artwork, aspect ratio or colors.**

Signature with Themeline

The association's themeline is "Serving the Florida College System since 1949". The themeline appears under the full length of the signature to increase its visibility and reinforce the overall layout. It acts as a foundation, both in word and function. The themeline is used with the AFC signature whenever possible on publications and other external and internal communications. The themeline may be used independently of the AFC signature. The type font must be maintained.

General Usage Guidelines

The following guidelines govern the use of the association's signature in all forms of communication, including but not limited to print and electronic media.

- The signature is the primary identifier of the association and is the essential means of visual communication.
- The signature should not be modified in any manner, including colors.

- The signature must be used as a prominent graphic element in all publications -- print and electronic -- affiliated with the association.
- Any affiliates (chapters, regions, commissions, committees) of the association wishing to use a specific identifier in conjunction with the association signature must have prior approval and must use it in accordance with the guidelines in this style sheet. Any changes, additions, or deletions to the AFC signature or secondary signature must be approved by the AFC Executive Director.
- In situations where outside partnerships exist, the trademark(s) or logo(s) of the partner or partners may be displayed in printed and electronic communications, but should be separated from the AFC signature by at least one half inch and should not be given prominence over the AFC mark. Graphic elements that appear to connect or combine the AFC trademark with other partnership logos or graphics should not be used.

Graphic Identities

Official colors are Pantone 292 (Blue) and Black.

Font: Adobe Caslon Pro

Maintaining the integrity of the association signature is important. It must be presented in a clear, consistent, and effective manner. Always use original digital art. The signature cannot be redrawn, re-proportioned or modified in any way.

All elements of the logo must be used; no parts may be removed. The blue of the logo is always Pantone 292 or its equivalent. The logo may be used as all black, all blue or a combination of these colors is necessary for reproduction purposes. Sample variations of color are below:

Secondary Signatures

These versions of the signature have been developed for use by chapters, commissions, regions and committees. By adding the unit name, the unit name receives prominence while retaining an overall association identity.

Secondary signatures are designed to offer a sub-identity for association entities while not changing the primary identity of the association. Any changes, additions, or deletions to the AFC signature or secondary signature must be approved by the AFC Executive Director.

Unique Logos and Graphic Elements

In the past, some chapters, commissions or regions have requested a unique logo design that is different from the Association of Florida College's identity, to convey an emotion or message about a special project. While we understand the desire for unique logos, we know that having a single visual element resonates with our many audiences and provides quick, easy and consistent recognition. Therefore, approvals may be considered for a graphic element to be used on specialty promotional items, clothing and certain collateral material, as long as there is a clear visual separation and delineation between the AFC signature and the graphic element.
