

Hello!

I am Matt Wetzel, Campus Dual Enrollment Coordinator, at Florida State College at Jacksonville.

Please take the time to review some details about me and my experience with the Florida College System (FCS), Florida State College at Jacksonville (FSCJ), and the Association of Florida Colleges (AFC).

I possess a Master of Science Degree in Higher Education Leadership from Capella University with an emphasis in Higher Education Program Administration. I hold a Bachelor in Arts degree in History from the University of North Florida. Additionally, I am a product of the FCS, having graduated from FSCJ with an Associate in Arts degree.

Now, I currently work for an FCS college and have been with FSCJ for more than 10 years. I can attest that Florida is one of the best college systems in the nation. I started as a part-time temporary staff member in our District Welcome Center as a Student Experience Associate in July of 2010. I was hired as a full-time employee in July of 2011 to work in the District Welcome Center. Then I made a lateral move in 2014 as a Student Success Advisor. Currently, I am a Dual Enrollment/Early College Coordinator at FSCJ's Kent Campus.

Outside Dual Enrollment, I am involved with numerous college-wide and state-wide initiatives where I have assisted or led the organization of service-learning projects and/or workshops.

Notably, the Career Employees' Council (CEC) Chair for two years and a second stint that started in July of 2021, (2013-2015 and 2021-2022) serving as the liaison between FSCJ's career employees and the College's leadership. I also served as the Association of Florida Colleges' (AFC) FSCJ Chapter President (2015-2018), Career and Professional Employees Commission Chair (2017), and Region II Director (2019). As a member of the AFC, I have attended and/or hosted numerous conferences, chapter and/or regional activities throughout my last seven plus years of membership with the association.

The FCS and the AFC are near and dear to me as they have provided me with career, educational, and professional opportunities.

Lastly, in my spare time, I enjoy working out, golfing, fishing, going to the beach, and attending sporting events especially anything Florida Gators related. I also enjoy being active by competing in the YMCA First Coast Games, hiking, bike riding, etc., and being involved with my church.

Thank You.

Matt Wetzel
